

CAMP RULES

The staff of the Montana Natural Resources Youth Camp and Lubrecht Experimental Forest wants your week to be filled with exciting experiences, new friendships and fun. To help make this happen, they expect each camper to be considerate of others, participate fully in the camp program and observe the following rules.

The camp rules are intended to assist in providing for the health, safety and social well being of everyone attending camp. If a situation or question arises which is not clearly covered by this list, ask the Camp Director **before acting**.

- *If necessary to drive your personal car to camp, you will be required to give the ignition keys to the Youth Director and will not be able to use the vehicle for the duration of the camp.*
- *Obtain the Camp Director's permission before leaving camp for any purpose.*
- *Respect the camp facilities and natural surroundings — do not deface or destroy them in any way. Deposit your litter in the containers provided.*
- *Respect others' privacy. Boys are not permitted in girls' cabins, nor are girls permitted in boy's cabins.*
- *ALCOHOL, DRUGS, GUNS, TOBACCO, AND FIREWORKS ARE PROHIBITED. We reserve the right to search personal belongings for prohibited items.*
- *Swim or engage in water sports only when a member of the camp staff is present. Wear life jackets when rafting or canoeing. Fish only if you have a valid Montana Fishing License.*
- *Violation of any of these rules is grounds for dismissal of individuals or groups and forfeiture of camp fees. Parents will be promptly notified along with the person recommending the camper. Individuals so dismissed must call their parent or guardian and arrange transportation home at their own cost.*
- *It is not possible to anticipate every possible situation that might come up. In the absence of a rule regarding a specific activity or situation — **CONSULT A CAMP COUNSELOR.***
